To whom It May Concern,

Dear Sir or Madam,

Hello,

I am writing to offer my sincere apologies for the inconvenience caused and to thank you for taking the time to read this. My name is Nihat, a 40-year-old man.

I graduated from the sculpture department of the Faculty of Fine Arts and I have more than 20 years of experience in the field of art. I am a meticulous worker who pays great attention to detail and ensures that my work is carried out with precision and care. I see myself as an 'Art Worker and Technician' rather than an 'Artist'. Beyond art, I have gained work experience in construction, painting, kitchen helping, gardening and more in Canada and abroad. Despite my extensive work experience, I cannot show any valid previous work experience as I am a statue of newcomer here (only cash work).

I am always eager to learn and share my experiences with others. Although I have not yet received a driver's license or vehicle, I have a valid SIN number.

I am available to work immediately with a flexible schedule and willing to work long hours to get the job done. I am a fast learner and can easily adapt to new environments.

Please, to get more detailed information about me, you can contact me at any time. Thank you for your interest.

Sincerely,
Nihat
