PROFESSIONAL SUMMARY

Experienced Site Manager, Project Coordinator, and Craftsman with over 9 years of expertise in coordinating large-scale construction projects, including feasibility studies and pre-construction planning. Skilled in applying architectural and urban planning principles, interpreting zoning bylaws, and ensuring compliance with regulatory frameworks. Proficient in a wide range of hands-on construction work, including carpentry, electrical installation, and ceramic artistry. Committed to delivering high-quality, regulatory-compliant projects from concept to completion.

HIGHLIGHTS

- 9+ years managing multidisciplinary construction projects, including residential and commercial developments with a focus on pre-construction coordination.
- Skilled in developing site layouts and designs in compliance with zoning bylaws, building codes, and regulatory frameworks.
- Expertise in ceramic artistry, electrical work, and custom carpentry, with extensive hands-on experience.
- Experience in budgeting, project cost analysis, and working with consultants (civil, architectural, electrical, landscaping, etc.).
- Strong communication skills, representing companies with town/city planning staff and stakeholders.
