EXPERIENCE

DM Landscaping and Gardening, Toronto — *Landscape/general construction labourer*

March 2025 - Current Position

Assisted skilled tradespersons and performed labouring activities at construction sites. Responsible for general landscaping duties, including excavation, planting, and renovation.

Judy Bloom Landscaping, Toronto — *Landscape foreman*

May 2021 - March 2024

Ensuring all crew members obey health and safety regulations at all times. Completing landscape design and construction. Overseeing the maintenance of lawns and gardens, and ensuring the proper use of power tools.

Green Apple Construction, Toronto — *Construction labourer/Painter*

March 2020 - March 2021

Did physical labour on construction sites. I prepared sites by cleaning them, loading or unloading materials, and removing hazards. I also ran various types of equipment, assembled and disassembled scaffolding and other temporary structures, and painted both interior and exterior structures.

Josh Harmon Contracting, Toronto — *Landscape/general construction labourer*

June 2016 - September 2019

Assisted skilled tradespersons and performed labouring activities at construction sites. Responsible for general landscaping duties, including excavation, planting, and renovation.

EDUCATION

Humber College, Toronto — *Real Estate License*

August 2022 - October 2023

The University of Kings College, Halifax — *Bachelor of Journalism*

September 2019 - April 2022
