OBJECTIVE

Motivated and hard-working individual with a strong background in construction labor, plumbing, and landscaping. Seeking a Landscaper position to apply my hands-on experience with tools, equipment, and outdoor maintenance. Known for strong work ethic, attention to detail, and ability to complete physically demanding tasks while meeting tight deadlines.

CORE SKILLS & STRENGTHS

- Landscaping and snow removal experience
- Concrete work: pouring, screeding, and finishing
- Mechanical aptitude and strong hand-eye coordination
- Proficient with hand and power tools
- Reliable and punctual with a strong work ethic
- Ability to work independently or in a team
- Physically fit and comfortable with outdoor labor
- Safety-conscious and detail-oriented

PROFESSIONAL EXPERIENCE

Construction Laborer & Snow Plower Dec 2014 – Apr 2020

Dave's A-OK Landscaping | Scarborough, ON

- Performed landscaping and groundskeeping work across residential and commercial sites
- Assisted craft workers with placing, vibrating, and finishing concrete using tools such as floats and trowels
- Loaded/unloaded building materials, maintained site cleanliness, and removed debris
- Dug trenches, backfilled holes, and compacted soil to support hardscape and construction projects
- Snow removal using plows and shovels during winter months
- Worked extended hours to meet deadlines and complete seasonal projects efficiently

Construction Laborer Oct 2020 – Sept 2021

Jobbers, Toronto, ON

- Supported demolition and site prep for renovation and construction
- Operated drills, hammers, and saws to break down concrete and remove structures
- Removed hazardous materials and debris safely and efficiently
- Assisted with loading/unloading and transporting materials to dumpsters and disposal areas

Gas and Mitigation Worker Oct 2021 – Aug 2023

Mr. Radon, Toronto, ON

- Installed PVC piping systems and performed plumbing-related tasks
- Maintained fluid pumping systems and conducted pipe fitting and cutting
- Cleaned and sanitized contaminated tools and equipment
- Gained experience with large-diameter piping and radon mitigation work

Plumbing Apprentice Sept 2023 – Nov 2024

DPS Dayton Plumbing Services Ltd., Toronto, ON

- Assisted in installing, assembling, and maintaining plumbing and drainage systems
- Repaired and replaced fixtures, pipes, fittings, valves, and appliances
- Used a variety of tools including reciprocating saws, drills, and pliers
- Performed snaking and hydro scrubbing of drain lines
