Hardworking and experienced landscape construction professional with over 10 years of proven hands-on experience. Started as a general labourer while in school and steadily advanced to lead hand, site foreman, and project/operations manager. Strong background in hardscaping, carpentry, and masonry, with a deep understanding of construction workflows and job site coordination. Skilled in quoting, client communication, team leadership, and delivering high-quality work from start to finish. Brings a reliable work ethic, practical field knowledge, and leadership experience to every project.
